Office of the Director of Food Supplies in Mysore, Bangalore, 12th June 1945.

To

Development Department,
(Food Supplies), Bangalore.

Sir,

Subject:- Mr. S.Nanjunda Sastry, B.A., Clerk of this office appointed as Accounts Clerk in the Comptroller's Office Retention of - - - in this office. ---

I have the honour to state that Mr.Nanjunda Sastry, Clerk, Deputy Commissioner's Office, Bangalore District, doing duty as Clerk in this office since 9-7-43, was appointed as Accounts Clerk on Rs.39/- in grade Rs.30-3-60 in the Comptroller's Office, as a fresh recruit with no benefits of transfer and posted to the office of the Auditor & Accounting Officer, Food Supplies Department, As Mr. Nanjunda Sastry has been attending to the work relating to controlled commodities which is of a very complicated and taxing nature and as he had acquired good experience in this branch of work, the Comptroller was requested to give a lien to Mr. Nanjunda Sastry as Accounts Clerk in this office with effect from 4-10-44 the date of his memo appointing him as such and to permit his retention in this office. The Comptroller permitted the continuance of Mr. Nanjunda Sastry in this office for a period of three months and is now pressing for his relief.

2. In this connection, I have to state that this being a temporary department, great difficulty is experienced in securing suitable hands who can attend efficiently to the emergent nature of work here. Mr. Nanjunda Sastry is an extremely useful man who cannot be spared after having been trained for the work of controlled commodities. While it should not be difficult in a big office like the Comptroller's to find another official to take his place, as has been done all these days, it is difficult in a limited office like mine to replace this useful man without detriment to the efficiency of the work.

3. In the circumstances, I request that sanction of Government may be kindly obtained to the continuance of Mr. Nanjunda Sastry in this office for such period as his services may be required retaining his lien as Accounts Clerk in the Comptroller's Office with effect from 4-10-44 and treating him as on deputation in the Food Supplies Department so that he may have the benefit of services in the Comptroller's Office with effect from that date.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Food Supplies.

OFFICE OF THE COMPTROLLER TO THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE,

No. 598/Es. Bangalore, dated 23rd Aug. 1945

From

M. SHAMANNA, Esq., M.A.,
Comptroller to the Government of
His Highness the Maharaja of Mysore,
BANGALORE.

To

The Secretary to Government,
Development (Food Supplies),
Bangalore.

Sir,

With reference to your letter No.S.D.38/A. 75-44-21 dated 3/4-7-1945 and reminder No.S.D. 852 dated 4-8-1945 regarding the continuance of Mr.Nanjunda Sastri, B.A., in the office of the Director of Food Supplies for some more time, I have the honour to state as follows:-

(i) Mr.Nanjunda Sastri is one of the 120 Graduates recruited to this Department in pursuance of G.O.No.E.4606-7/R. & P.S. 29-43-5 dated 24-3-1944 to meet the urgent requirements of this department. His appointment in this unit and posting to the Food Supplies Audit and Accounting Branch were ordered by me in October 1944.

(ii) At that time, he was working in the office of the Director of Food Supplies, who requested his continuance in the Food Supplies Department with his lien retained in this Department; there being an acute dearth of hands in my department, the Director's request was not first complied with and the Director was requested to relieve him (copy of this office letter No.2123/Es. dated 8-1-1945 is enclosed). The Director, however, having in his D.O.No.C.2.C. 657/44-45 dated 20/24-1-1945 (copy enclosed) requested the continuance of Mr.Nanjunda Sastri in his office for a period of at least three more months, the request of the Director was complied with and the continuance of the

official in his office till the end of April 1946 was agreed to vide this office letter No. [illegible]/ES. dated 27-1-1945 - Copy enclosed.

(iii) After the expiry of the above period, the Director did not relieve him but wanted his continuance for six more months, which has not been agreed to by me in view of the acute shortage of staff in my department (vide copy of this office letter No.30/1/ES. dated 30-3-1946 enclosed). The Director has not relieved the official but has approached Government for sanction to his continuance for such period as his services may be required in the Director's Office.

2. I have considered the case over again. This office is itself in difficulties owing to want of hands. This is no doubt a big Department but a deficit of about 60 to 70 hands is a big enough deficit even for my department. Candidates are generally not anxious to join this department, as the work is dreary and the prospects also are not comparatively attractive. The Director can offer 20 per cent Allowance to persons who go to his department and therefore, it should be easy for him to obtain hands from other departments. Besides, he has had this official for a period sufficient to train a substitute. ~~This~~ The official is in the clerical grade and cannot therefore be held to be indispensable for that office. In the foregoing circumstances, I regret that his further continuance in the Director's Office cannot be agreed to as at present my department is very short-handed.

I have the honour to be,
Sir,
Your most obedient servant,

M Shamanna
Comptroller.

"Letter dated 2123/Es. dated 8th Jan.1945 from the Comptroller to Govt., Bangalore, to the Director of Food Supplies in Mysore, Bangalore.

"With reference to your letter No.C.2-C.657-44 dated 8-12-44 regarding Mr.S.Nanjunda Sastri, B.A., I have the honour to state that this department is itself short of 60 hands and the Audit and Accounts Branch of the Food Supplies Department by about 6 to 8 hands. In these circumstances, it is regretted, it will not be possib possible to spare him to your department. Therefore, I request that he may kindly be relieved forthwith and instructed to join duty in the office of the Auditor & Accounting Officer, Food Department. His appointment in this department was approved on the specific understanding that he will be available for service in the Audit Branch; if it were not so, his claim would have been passed over and another who would be readily available for service in this department have been appointed."

"D.O.No.C2.C.657/44-45 dated 24th Jan.1945 from the Director of Food Supplies in Mysore, Bangalore, to the Comptroller to Government of Mysore, Bangalore.

With reference to correspondence ending with your office letter No.2123/Es. dated 8th Jan.1945 re: the relief of Mr.S.Nanjunda Sastri clerk of this office appointed as Accounts clerk of your office, I write to state that the said official is at present in charge of a very heavy section where work is very complicated and taxing and a new hand would take at least two or three months to pick up the work. And the work is of such a nature that it will brook no delay. In the circumstances, I shall be much obliged if you would kindly arrange to give a lien to Mr.Nanjunda Sastry as Accounts Clerk in your office with effect from 4th October 1944, the date of your memo appointing him as such, and permit his retention in this ~~xxxx~~ office for a period of at least three months more.

I shall be thankful for an early reply in the matter."

As already intimated my office itself is short of 60 to 70 hands; but in the circumstances stated by you and in deference to your request I have no objection to the retention of Mr.Nanjunda Sastry

in your office for three more months. As this [illegible]

With reference to the correspondence ending with your letter No.ES.3.60/44 dated 2-4-1945 desiring the retention of Mr.S.Ramakrishna Sastry, B.A., in your office for a further period of six months, I have the honour to state that as previously communicated in this office letter No.2169/as. dated 5-4-1945 this department itself is short of more than 50 hands; the Auditor and Accounting Officer of your department had also separately reported that his office is short by about 40 hands. In these circumstances, it is regretted that it is not possible to spare the services of Mr.Ramakrishna Sastry any longer; therefore, he may kindly be relieved forthwith and instructed to join duty in the office of the Auditor & Accounting Officer, Food Department.

His service register will be sent shortly separately to your office."
